

Camden Park Nursery offers for sale a limited number of plants. The majority of the plants for sale have a special historical connection with Camden Park. A number of the plants & varieties go back to William Macarthur's garden of the mid1800's and are documented in the catalogues of the plants William grew and had available for sale.

For plant availability and pricing please contact our horticulturalist, Trish via email: camdenparkplants@gmail.com

Camden Park Nursery Group

Stock, Availability & Price List. Updated 04.5.18
